Winning team Head Coach Heimir Rikardsson explained Iceland tactics: “We wanted to win for sure, this is a very good group. This was a very tough game and Serbia was very hard to beat. In the first ten to fifteen minutes we were not so good but then we regrouped and quickly came back from negative goals”

Player of the match from Iceland, Kristofer Jonasson shared what it feels like to be the best in a game like this: “It feels amazing to score this important win for us. We showed really good performance and we are confident for the next games, we are building our performance each game”

Losing such important game was devastating for Serbian players. Head Coach Djordje Teodorović stated he still feels proud of his team and the way they play: “This could have been a better game but Iceland is a very strong team. We were in the lead by four goals and they had the strength to come back then they took the lead and we came back. We had six chances to take the lead but we couldn’t find a way to do so. I think we played well, we are close to the best teams in the world and I would like to say I am proud of my team today, they fought until the very end. Iceland has a little bit more competing experience and it showed today”

Stefan Dodić, Serbian Player of the match added: “Serbia deserved more, we played a really good half time but then we lost our focus. Iceland had strong motivation and we really fought until the very last atom of our power but we couldn’t catch up. I would like to congratulate Iceland on their great game today”

Here is what Denmark's head coach Arnor Atlason had to say: "It was a good fight between two good teams. We had some problems at the start of both halves because the defense wasn't as good as we wanted to. We were 3 goals down in the last 5 minutes but the team's big heart managed to take the point at the end. We are taking one point to the main round but most importantly the guys played at a high level for two games and I'm happy with that."

Mads Svane Knudsen the Player of the match for Denmark: "It's always nice to get that title but I would trade it for the win anytime. We have a really good team and hope to go all the way in this tournament."

Martin Heuberger, Germany's head coach: "I think we've seen a good match from both teams. We lost two or three balls in the second half so I think it's fair that we split the points. We are happy that we are going to the main round and we're going to try our best there."

Germany's Player of the match was Renars Uscins: "I feel bad because we had a three goal advantage and we missed too many shots and gave Denmark the opportunity to come back and take a point."

Without a doubt, Player of the match from team Slovenia was goal keeper Denis Strasek excitedly commented: “Even before the game we knew what this game brings. Before the championship, we didn’t expect Italy to be such a strong team but when they started playing we quickly realized how strong of a competitor they are. We gave our best and still won by only two goals but we will continue to fight in every game until the very end”

His Head Coach, Saša Prapotnik explained what happened in the first half: “From the start we knew it wouldn’t be an easy game against Italy. Our team was under a lot of pressure, I don’t know why we are not more confident. As soon as we play one game without a pressure we will be even stronger of a team. We will continue to work on our progress and see how far we can get”

Visibly disappointed Italian Head Coach, Boris Popović felt like this game was not completely fair: “Criteria was not the same for both teams, I don’t want it to sound like I think this was all referee’s fault but I feel like this game was not completely fair. This is Italian first time at this competition but we worked hard for years to get where we are now, this didn’t come to us for free, this is a lot of hard work for these guys. I am confident Italy has a great future in front of them”

Being the player of the match for the losing team in such emotional game is always a bitter sweet feeling, the same goes for Luigi Arena: “I am really disappointed our team didn’t win. We fought until the end and we will continue to fight in every upcoming game”

The coach of the winning team Johnny Jensen: “I think we played very good 55 minutes and then we had a fall in our game but overall it was a good team effort our defense was good and scored more goals. I’m happy with how we played this tournament. Germany and Denmark were better teams but we wanted to win against Russia and we did.”

Tord Lea Knutsen, Player of the match for Norway: “It’s great to be the player of the match but I think the whole team deserves the credit.”

Russia’s head coach Vladislav Kosmodemianskii disappointedly added: “We didn’t have enough strength for the last 5 minutes and that’s why we lost.”

Equally disappointed Player of the match for Russia Nikolai Bychkov: “I feel good but the last 10 minutes we got tired and lost again. We’re sad.”

Head Coach, Jesper Ostlund: “This is the second time in the competition that our game was decided at the last seconds and our scoring. Spain was better than us for good 45 minutes, but the last five or six minutes, we were amazing and our team played great!”

Player of the match from team Sweden, goal keeper Marko Roganović was also excited about the end result: “In the first half we didn’t play that well, but the whole team helped me to end the match like this and to become the Player of the match. We are not afraid to play against anyone in the future because we continue to give our best”

Player of the match, Arnau Fernandez commented on this intense game: “The match was difficult and Sweden is a great team. I’m not sure what happened but we are a good team and we will continue to fight in the future”.

Javier Fernandez, Spain Head Coach stated that it is important to remember that this is not a lost game: “This game was so close. Sweden is an amazing team, I think that we have done excellent in the first half but we didn’t focus until the end and Sweden was more focused to play until the end. We missed few balls and gave them few opportunities. It is important to us not to lose, we always want to win but it is always good not to lose”.

Portugal's head coach Carlos Martingo was happy with his team: "We did our job we needed to win today with the biggest goal difference possible and we did it. I want to congratulate my players on their attitude today. Now we have to wait on the result of the next game between France and Croatia but I hope we go to the next round because we deserve it. "

The Player of the match for Portugal Diogo Rema Marques is hopeful for the next round: "I hope that today's win is enough to go to the next round. We keep growing as a team and I hope it stays that way. We have to stick to the things we work on in the practice and I believe we're going to do well."

Austria's coach Jörg Merten: "Unfortunately, we lost the game. Until now we're not satisfied with our performance. Our best games are yet to come. We hope we can improve so we can reach the top 13 and stay in the A phase of national teams."

Bastian Pieber, Austria's best player disappointingly added: "I would feel better if we would've won the game. This way it doesn't mean a lot to me. We are thankful for all the fans that came from Austria."

Hungarian Head Coach, Krisztian Karpati commented on the game: “I feel really sorry our team couldn’t make it to the top eight teams. Today we showed that we have amazing players and we can play very good and we are aiming to win 9th place”

While player of the match from team Hungary, Andrej Pergel said: “To be the Player of the match isn’t much of a comfort because we lost two games at this competition, but it is what it is”

Israeli Head Coach, Dvir Goldstein concluded: “We knew that we are playing against three very strong teams at this competition. Today in the first half our result was bad, in the second half we were better but we still need to improve our game and become better and better. Hopefully we will succeed in our goal”

Rafael Maman, player of the match from Israel added: “We didn’t play so good but we fought until the end. I am sad but there are still more games ahead and we need to stay focused”
